Alexander Bond & Co are pleased to present this extended two/three-bedroom semi-detached house in the highly sought-after village of Welwyn.

This home offers an abundance of space on the ground floor, thanks to a generous single-storey rear extension, providing versatile living areas. Originally a three-bedroom house, the current owner converted the third bedroom into a wet room. However, this could easily be reverted, with the bathroom relocated to the dressing area in the main bedroom.

The property boasts a large westerly-facing garden with a patio, established lawn, and at the rear, a sizable garage and driveway with parking for three cars.

Wilga Road is conveniently located near Welwyn Village centre, offering a range of boutique shops, a Tesco Express, pubs, restaurants, and a doctor's surgery. More extensive shopping and leisure options are just a short drive away in Welwyn Garden City. Excellent transport links are nearby, including the A1M (Junction 6) and mainline train stations at Welwyn North and Welwyn Garden City.
