Agents Notes:

- . The property is **wheelchair friendly** - extra wide doorways, level threshold external doors, bottom central mounted open lever windows and ramp access to front.
- . **Worcester-Greenstar-xtra-flue-gas-heat-recovery-unit** connected directly to Greenstar combi boiler with highly efficient plate heat exchange which extracts residual energy from the flue gases which is used to pre-warm the water fed into the combi boiler reducing the amount of gas required to each desired hot water temperature
- . **Water and energy efficient appliances** fitted throughout
- . **Mechanical Heat Recovery Ventilation (MHRV) system** fitted, designed to provide Superior Air Comfort levels and conserve energy by minimising heat wastage.
- . Heat recycling is achieved by recovering heat from extract air that would normally be expelled to the atmosphere and transferring this to fresh air being drawn into the property.
