Rarely available to the market and located in the well respected Crowborough Warren is this impressive 1920s Connors built family home set within a plot size in excess of 1.75 acres. The well thought out accommodation comprises a welcoming entrance hall, numerous reception rooms, kitchen, breakfast room and direct garden access from both the family and sitting rooms. On each side of the property, stairs rise to the first floor, revealing five double bedrooms some with plumbing facilities and two bathrooms.

The extensive gardens and grounds are impressive with uninterrupted south westerly facing views across woodland to rear. To protect the view from the rear garden our vendor has purchased some woodland. There is also an area of communal woodland (approx. eleven acres) bought by a number of the homeowners in Fielden Road. The garden also features a heart shaped pool ready for revival, a greenhouse and brick built shed with electrics. Located to the front of the property is an area for parking, a double garage and an elegant water fountain.
