INDEPENDENT ESTATE AGENTS

30, Grimshaw Lane, Bollington, Cheshire, SK10 5NB

A deceptively spacious detached family home presented to the highest of standards. Home Studio/Office. Stunning gardens.

Asking Price £750,000

30 Grimshaw Lane is an impressive substantial property, which has been sympathetically extended and refurbished over the last ten years, with the recent installation of a John Lewis kitchen with built-in appliances and granite working surfaces. In addition a superb garden room was erected in 2024 designed and manufactured by Kubes of Bollington.

In brief the accommodation comprises on the ground floor an entrance hall, lounge, dining room, family room, breakfast kitchen, orangery and cloakroom. At first floor level the landing allows access to a master bedroom with fitted wardrobes and French doors leading out to a superb balcony/seating area. The en-suite has a corner jacuzzi bath, shower, vanity wash hand basin and low level WC. There are three further double bedrooms and a recently refitted family bathroom. A central heating system has been installed together with a very large water tank off the gas with the electric override option. A new boiler has been installed at the property within the month of October 2024. All the windows are uPVC double glazed throughout. A new solid oak front door has been fitted together with internal oak doors throughout.

Outside, the property enjoys stunning good sized gardens, which are beautifully landscaped and incorporate large lawned areas, Indian stone paved patios, delightful abundantly stocked flower borders all of which are fully enclosed. To the front of the property there is a small lawned area and adjacent cobbled driveway which was repointed in 2024.

We would strongly recommend an internal inspection of this fabulous home in order to fully appreciate the fine merits it has to offer.

There is a wide range of shopping, travel, educational and recreational facilities available in Bollington and nearby Macclesfield.

Directions:

From our Bollington Office proceed up High Street turning right into Chancery Lane. Bear right into Grimshaw Lane and continue for a short distance where the property can be found on the right hand side just before the traffic lights.
