INDEPENDENT ESTATE AGENTS

54, South West Avenue, Bollington, Cheshire, SK10 5DS

A large 4 bed extended detached property occupying a sought after location with outstanding views to the rear over Kerridge and unspoilt countryside.

Price Guide £535,000

Situated in a most idyllic location backing onto open fields with views towards Kerridge across open countryside, we are delighted to offer this substantial extended detached family property.

Originally the South West Avenue show-house back in the mid 70's, this property has been owned by the same family since new and now offers huge potential to another family to create a wonderful home. The house stands in a very large plot with gardens to front and rear and side.

The accommodation briefly comprises on the ground floor an outer and inner hall, family/dining room, lounge, conservatory, breakfast kitchen, utility and cloakroom. To the first floor the landing allows access to four bedrooms, three of which are double, and a family shower room/WC. The whole of the accommodation is warmed by gas fired central heating.

Outside, the property stands on an extensive plot and to the front the driveway allows ample hardstanding for up to six motor vehicles and leads to a double garage. The front garden also has an area laid to lawn with a rare and beautiful flowering tree. To the rear of the property the garden has a sweeping lawn surrounded by flower borders and uninterrupted views over unspoilt countryside. This garden also comprises a water tap and a large paved patio area which further extends to the side of the house where there is a lean-to work shop area and a garden shed.

We would strongly recommend an internal inspection to fully appreciate the fine merits this property has to offer.

A special mention must be made to the delightful views over the adjoining countryside towards Kerridge and White Nancy.

There is a wide range of shopping, travel, educational and recreational facilities available in Bollington and nearby Macclesfield.
