A spacious, well presented stone semi-detached in a lovely location with delightful countryside, cricket ground and canal views and retaining a wealth of period features.

£475,000

This substantial stone property has retained many period features and occupies a sought after location with views to the front over the canal and to the rear over the Cricket Ground and countryside beyond.

The house has good sized double bedrooms and has been tastefully modernised to include wooden sash windows in good working order throughout, stripped, reclaimed wooden doors and a newly fitted log burner.

In brief the accommodation comprises on the ground floor an entrance vestibule, entrance hall, lounge, dining room, kitchen, utility, downstairs WC and half cellar. To the first floor the landing allows access to three bedrooms and bathroom. The whole of the accommodation benefits from double glazed windows throughout augmented by gas fired central heating.

Outside the property benefits from a cottage garden to the front surrounded by a stone wall and wrought iron railings. The front door, with an outside light, is approached through a gate. To the side the hedged pathway leads, through another gate, to the rear of the property which has been professionally landscaped and comprises stone paving with a seating area taking advantage of the views. There is a large garden/cycle store, decorative lighting as well as outside light and security lights, double water tap, and electric power.

We would strongly recommend an internal inspection of this delightful home in order to fully appreciate the fine merits it has to offer.

There is a wide range of shopping, travel, educational and recreational facilities available in Bollington and nearby Macclesfield.
