Beautiful Ground Floor Apartment with Striking Double-Height Windows

Built in 2010, this impressive ground floor apartment forms part of an attractive residential development and offers a wonderful combination of style, space and natural light.

The well-presented accommodation comprises: welcoming entrance hall, spacious 19ft living/dining room featuring four elegant double-height arched picture windows that flood the space with light, and a contemporary fitted kitchen with integrated Neff appliances. There is a generous master bedroom with another stunning double-height window, a second good-sized double bedroom, and a modern bathroom. The property also benefits from gas central heating throughout.

Outside, residents enjoy access to beautifully maintained communal gardens, mainly laid to lawn with mature trees, shrubs, and colourful borders. The apartment also comes with two private off-road parking spaces.

An internal viewing is highly recommended to fully appreciate the design, light and space offered by this exceptional home.
