

BROWN & BRAND

Kings Park
Benfleet, SS7 3BA

- Three/four Bedroom Semi-Detached Chalet Situated On A Large Corner Plot
- Offered With No Onward Chain
- Spacious Entrance Hallway
- Double Gated Side Entrance To Detached Garage

£399,995

Property Description

Brown & Brand are delighted to present this 3/4-bedroom semi-detached chalet, ideally situated on a generous corner plot in the highly sought-after area of Thundersley.

Upon entering, you are greeted by a separate dining room/bedroom to the front of the property. The spacious lounge at the rear provides a relaxed living space with direct access to the south-facing garden-perfect for outdoor gatherings or simply enjoying the sun.

The ground floor also offers a convenient shower room and a well-proportioned kitchen, which overlooks the rear garden. A paved pathway through the garden leads to a detached garage, providing ample off-street parking.

Located within the highly regarded King John School catchment area and just a short walk from Seevic College, this property is perfectly positioned for families with educational needs.

This lovely chalet is an excellent opportunity to secure a home in a prime location-early viewing is highly recommended!

Rules on letting this property

Properties can be let if they have an energy rating from A to E.

You can read [guidance for landlords on the regulations and exemptions](https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance) (<https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance>).

Energy rating and score

This property's energy rating is C. It has the potential to be B.

[See how to improve this property's energy efficiency.](#)

The graph shows this property's current and potential energy rating.

Properties get a rating from **A (best)** to **G (worst)** and a score. The better the rating and score, the lower your energy bills are likely to be.

For properties in England and Wales:
the average energy rating is D
the average energy score is 60
