- Open-plan lounge and kitchen are enhanced by a large bay window
- Modern three-piece tiled bathroom is fitted with a plumbed-in shower
- Generously sized master bedroom which includes built-in wardrobes

£185,000

Property Description

Situated within a delightful New England-style detached block, this bright and spacious first-floor apartment offers an excellent blend of comfort and modern living. The property features a communal entrance with a secure entry phone system, leading to a well-designed living space. The open-plan lounge and kitchen are enhanced by a large bay window that fills the room with natural light and includes integrated appliances such as a hob, oven, and hood.

The modern three-piece tiled bathroom is fitted with a plumbed-in shower, offering both style and functionality. The generously sized master bedroom includes built-in wardrobes, providing ample storage while maintaining a sense of space.

Additional highlights include parking at the front for residents and visitors, and the property is offered in immaculate condition with the convenience of vacant possession. Perfectly suited for those seeking a move-in-ready home, this is an opportunity not to be missed. Early viewing is highly recommended.

Rules on letting this property

Properties can be let if they have an energy rating from A to E.

You can read [guidance for landlords on the regulations and exemptions](https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance) <https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance>

Energy rating and score

This property's energy rating is D. It has the potential to be C.

[See how to improve this property's energy efficiency.](#)

The graph shows this property's current and potential energy rating.

Properties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy bills are likely to be.

For properties in England and Wales:

the average energy rating is D
the average energy score is 60
