Property Description

GUIDE PRICE FROM £475,000 TO £500,000

Situated in a highly sought-after turning, this beautifully presented three-bedroom family home has been thoughtfully improved and tastefully altered by the current owners, offering modern living with character and style throughout. Upon arrival, you're greeted by an elegant oak entrance porch, setting the tone for the quality found within. The spacious lounge to the front provides a welcoming retreat, while a practical utility room and a sleek three-piece shower room add everyday convenience. To the rear, the heart of the home is a stunning open-plan kitchen/diner/family room, perfect for both entertaining and family life. Featuring a central island, integrated appliances, bi-folding doors, and a skylight window, the space is flooded with natural light and seamlessly connects to the outdoor living area. Upstairs, you'll find three well-proportioned bedrooms, all beautifully presented, along with a luxurious bathroom suite finished to a high standard. The landscaped rear garden is a true highlight, thoughtfully designed with a Gabion wall feature, a large, decked area with built-in lighting ideal for relaxing or hosting guests. This exceptional home combines stylish living spaces with practical touches.

Rules on letting this property

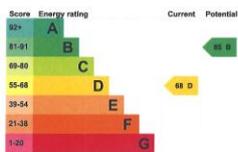

Properties can be let if they have an energy rating from A to E.

You can read [guidance for landlords on the regulations and exemptions](https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance) (https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance).

Energy rating and score

This property's energy rating is D. It has the potential to be B.

See [how to improve this property's energy efficiency](#).

The graph shows this property's current and potential energy rating.

Properties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy bills are likely to be.

For properties in England and Wales:

the average energy rating is D
the average energy score is 60
