**LOCATION**

Leasingham is a good sized village, situated on the A15 approx 1.8 miles north of the market town of Sleaford. The A15 and A17 nearby provide immediate access to the major road network, with Sleaford providing a wide variety of schools and shops and services.

Leasingham village has its own primary school, pub, Post Office and Store and village hall.

The land is situated on the eastern edge of the village, off the end of Deepdale Drive, which is currently a residential cul-de-sac.

The land is shown for identification purposes within these particulars.

**GENERAL DESCRIPTION**

An evenly proportioned broadly rectangular block of pasture land, within boundaries of established hedgerow and fencing, enjoying a semi-rural location. The land slopes gently north to south, offering elevated open southerly rural views.

The planning consent is in outline and provides for a development of 6 bungalows in total, served by a no through private drive. The southern boundary is formed by a dyke, with a section of land adjacent, excluded from the development area, due to flood constraints, but allowing the opportunity to create an area of bio-diversity and landscaping further enhancing the semi-rural setting.

**ACCESS**

Please note there is an area of unregistered land between the end of the adopted highway at Deepdale Drive and the field entrance.

The vendor has full rights of access over this unregistered land and further information can be provided to interested parties, by the vendors solicitors, on request.
