*An individual detached house  
with over 2000 sq ft of  
accommodation*

This exceptionally spacious detached house occupies a superb cul-de-sac location. Bederic Close is a particularly sought-after area of Moreton Hall, made up of larger, individually designed properties and is set in good-sized gardens with a large double garage and extensive parking. The property is situated within walking distance of a superb range of local amenities and offers easy access to both the A14 and the town centre via footpaths and cycleways.

Built to a high specification in the 1980s, the property has been extremely well maintained, but now offers the potential for some updating. In our opinion, the house has the makings of a wonderful family home, making an early internal viewing highly recommended.

The porch leads into a spacious reception hall. There is a useful shower room/cloakroom to the left and a family room to the right which has a dual aspect and would be perfect for anyone wanting a large home office or playroom. The main reception room has a large feature fireplace and double doors which open up into the separate dining room. The kitchen/breakfast room and utility are located towards the rear of the house and could be opened up into the dining room to provide a superb multi-functional living space.

On the first floor: A light and bright galleried landing provides access to all 4 double bedrooms and the family bathroom. All bedrooms have either built-in or fitted wardrobes with the master bedroom having a large en suite shower room.

#### Outside

The property is set back well from the road and is screened by hedging. A block paved driveway provides extensive parking and access to the large detached double garage.
