We love everything about this beautifully refurbished cottage and highly recommend an early viewing!

Occupying a well-served yet secluded location - this lovely cottage is understood to have been part of a terrace originally built for foundry workers.

In a quiet lane which is within easy reach of all amenities and walking distance from the town centre - with a single garage to the rear.

It has been thoughtfully modernised, and is beautifully presented - an ideal first home, perhaps, somewhere centrally located to down-size to or an ideal investment property.

Location - 4 Klondyke is tucked away situated towards the end of the terrace along a lane to one side of the County Upper School, linking Beetons Way with a pedestrian walk through to Northgate Avenue.
