With two generous bedrooms, a beautifully refitted bathroom, and a modern kitchen with large breakfast bar, this smart and easily maintained home is larger than it first appears and has been tastefully styled throughout.

Ground Floor:

Upon entry you're greeted by a small entrance hallway, ideal for coat storage, with access to both the staircase and lounge.

The ground floor has been cleverly reconfigured, creating a desirable, open-plan living space, bathed in natural light due to the dual aspect. The modern kitchen with a sizeable breakfast bar to sit up to eight people has been finished to a superb standard for both practicality and style. Fitted appliances include oven, hob, extractor fan, fridge-freezer and dishwasher. Additional space to the side has been configured into a utility area, holding power and plumbing for a washing machine and tumble dryer. There is gas fired combination boiler, which we understand was installed in 2021. A glazed door leads to the rear garden.

Upstairs, the landing gives access to two large double bedrooms, both with fitted storage. The bathroom has been adapted to include wc, basin, shower over Japanese-style bath, heated towel rail and storage.

Outside:

The gardens to the front of the property have been hard landscaped for easy maintenance and overlook a small enclosed green. A shared side access leads to the enclosed rear gardens, which are of a very good size and are laid predominantly to lawn with a large patio area.

Agents Note: There is ample communal parking near the house, and we understand that the vendor currently rents a garage close by.
