The property boasts the most amazing and generous sized 'secret garden' backing onto open fields.

CHAIN FREE

Upon entering the front porch area / boot room area, you are greeted by a welcoming reception hall that leads to a comfortable sitting room, featuring a coal-effect gas fire with a bespoke marble surround.

This space flows seamlessly into an expansive living-dining-kitchen area, which is bathed in natural light thanks to the delightful garden room at the rear. The kitchen is equipped with an extensive range of base and wall units, along with high-quality appliances, including a dishwasher, fridge, five-ring gas hob, and fan oven, making it a dream for any home cook.

The first floor comprises a principal bedroom with fitted wardrobes and a lovely view of the garden, alongside a second double bedroom with fitted furniture and views over the town. A single bedroom completes the upper level, providing ample space for family or guests. The luxurious recently re-fitted bathroom features both a bath and a separate shower enclosure, ensuring a relaxing retreat.

An annexe has been developed out of the former garage into a versatile studio workspace. This modern space includes a shower room / WC and a utility area and could also be used as a home office, granny flat, hobby studio, playroom or television room.

The front garden is well-stocked and makes for an attractive approach to the house, and there is parking for two vehicles on a concrete driveway. The rear garden is a hidden gem—a large 'secret garden' accessed by a flight of flagged steps. This enchanting outdoor space features a newly constructed summer house with an al fresco dining area, immaculate lawns, and mature trees, all set against the backdrop of open farmland and stunning moorland views.

This exceptional home combines modern comforts with a picturesque setting, making it a must-see for families seeking a peaceful yet vibrant lifestyle in Skipton.
