Property Misdescriptions Act 1991

The Agent has not tested any electrics, central heating systems, apparatus, equipment, fixtures and fittings or services and so cannot verify that they are in working order or fit for the purpose. A buyer is therefore advised to obtain verification from Solicitor or Surveyor. References to the Tenure of a Property are based on the information supplied by the seller. These particulars do not form part of any contract.

Measurements are believed to be correct within 5 inches. Items shown in photographs are NOT included unless specifically mentioned within the sales particulars. They may however be available by separate negotiation. Buyers must check the availability of any property and make an appointment to view before embarking on any journey to see a property.
