Churchill Estates are pleased to bring to market this beautifully appointed first-floor apartment within Warren Hall — one of Loughton's most prestigious and historic residences.

Set behind secure gates on Manor Road and surrounded by stunning landscaped grounds, this elegant home perfectly combines timeless period charm with modern comfort. Entry is controlled via an entry phone system at the main gates from Manor Road and into the main block, ensuring both security and privacy. Residents also enjoy direct access to Epping Forest through a secure locked gate within the grounds.

Residents of Warren Hall enjoy exclusive access to a heated outdoor swimming pool set within the beautifully maintained communal gardens, while a sweeping carriage driveway leads to ample residents' parking. Once known as The Warren, this grand Victorian mansion offers an exceptional lifestyle in a peaceful yet convenient setting.

The impressive communal entrance hall immediately sets the tone. Soaring ceilings, ornate cornicing and a magnificent sweeping staircase all showcase the building's stately heritage. Lift access serves all floors for added convenience. A communal storage cupboard in the lobby provides additional practical storage for residents.

Inside the apartment is thoughtfully designed and finished to a high standard throughout. Featuring 15-foot high ceilings throughout, double glazing and gas central heating with traditional cast iron radiators controlled via Hive smart heating, the home offers an exceptional sense of space and comfort. Two loft hatches provide access to small storage spaces above both bathrooms, adding practical storage options without compromising the apartment's elegant design. There are two generous double bedrooms, including a luxurious principal suite featuring a walk-in wardrobe, a stylish en suite shower room and direct access to a private balcony. The family bathroom is a Jack and Jill style, providing convenient access from the second bedroom as well as the hallway for guests. The elegant living room, beautifully proportioned with a large bay window is flooded with natural light and offers ample space for dining and entertaining. A striking stone feature fireplace forms the focal point of the room, complemented by the impressive high ceilings and intricate cornicing. The kitchen/breakfast room is equally impressive, fitted with a large central island, generous worktop space, extensive storage and includes integrated appliances and a water softener, ideal for both everyday cooking and casual dining.

Warren Hall is set within a private and leafy enclave while remaining just a short stroll from Loughton High Road. Excellent transport links include Loughton Central Line Station (0.8 miles) providing fast access into London with the M11 and M25 close by for convenient road connections.
