A beautiful five-bedroom detached residence that has seen significant modernisation, at considerable expense by the current owners. The home offers generous accommodation stands more than 3000 square feet. The ground floor comprises: - reception hallway, sitting room, dining room, study, cloakroom, a modern kitchen/breakfast room, utility room and a large garden room. There is access to a cellar which has two large rooms with power and lighting. To the first floor, two of the five bedrooms offer en-suites and in addition there is a family bathroom. Bedroom five is currently configured as a dressing room but could easily be changed back for those that require a fifth bedroom. A particular feature of the home are three well-tended gardens. One to the front and two that sit either side of the house. An insulated double garage provides power, lighting, and electric roller doors. The garage is accessible from the main house via the garden room.
