Wanstead's desirable Counties Estate, named as such because each road is named after an English county, sits within its own leafy conservation area, protecting and maintaining the beautiful Edwardian homes and tree lined streets. Incredibly quiet but convenient for transport and schooling, this particular home is almost equidistant from both Wanstead (0.6 Miles) and Snaresbrook (0.7) Station's, in addition to a plethora of fantastic nurseries and primary schools, including Nightingale Primary School (0.4 Miles – Ofsted good), The Grove Montessori (0.5 Miles - Ofsted outstanding) and Wanstead Church school (0.6 Miles – Ofsted outstanding), to name but a few. The local area's popular High Street is a short half mile walk and offers an array of independent shops, cafés and bars with the fabulous Christchurch Green offering leafy walks and community events throughout the year, a children's play park and tea hut offering light refreshments and seating.

Sitting on Buckingham Road, this family home still retains a charming façade with mosaic tiled path leading to an original canopy porch, double height bay and convenient gated side access with a pretty front garden. Once inside the wide proportions, high ceilings and large expansive windows that create a naturally light and airy feel throughout are all typical of the age of the home. A large reception to the front, complete with decorative plaster work and wide bay, provides ample seating, whilst the separate dining room to the rear allows for formal dining, or a separate reception/play space if required. A convenient separate breakfast room leads to a modern kitchen area to the rear, accommodating all the necessary integrated and freestanding appliances, but with potential to be further opened up by way of extension of rear extension or combining the reception rooms to the rear (STPC). A convenient ground floor W.C and access to a cellar area completes the accommodation to the ground floor.

To the first floor there are four bedrooms, three of which are very spacious doubles with a range of period features still intact, and a family bathroom with separate W.C which could be easily combined to create a more spacious family bathroom area. The loft provides convenient storage potential but could also be converted to create further accommodation if desired (STPC). The rear garden is simply laid out with raised patio leading to a lower lawn area, surrounded by a

range of established plants and shrubs with a gated side access allowing for easy removal of garden waste or storage of bikes. The home is offered for sale with no onward chain.
