Riverside bars and bistros will sit alongside leafy parks, cutting edge architectural living spaces with easy access to events and shops within the O2 arena. The property is sited 0.2 Miles from Greenwich Station in addition to North Greenwich Pier where you can ride the Emirates Cable Cars to the Royal Docks. This one double bedroom apartment is located on the 11th floor of 5 Upper Riverside and spans approximately 64 square meters. The block is immaculately maintained, boasts 24 hour concierge and designated work from home area, allowing owners to step outside their property and work in an alternative environment without commuting into to the office. The cutting edge video entry system allows the owner to easily maintain a level of security, additionally providing callers with the facility to leave a message for the occupant when they are out or providing updates on the weather or TFL updates etc. Residents also have exclusive use of beautiful roof terraces with BBQ features, cinema, swimming pool, gym and spa. The entirety of the flat is underfloor heated saving precious space, whilst the functional layout ensures the areas flow well and further maximises the feeling of space on offer. The main living area, though one open space, flows seamlessly into three distinct areas thanks to the way the space has been laid out. The lobby area leads through to the contemporary fitted kitchen and dining space and continues towards the living room located towards the end of the room, which opens onto a private balcony with breath-taking, riverside views of an exciting and quickly evolving community. The contemporary bathroom has been designed so that the taps, shower system and toilet cistern are concealed behind walls, making it practical to clean but also making the space look sleek and modern whilst the mirrored bath panel, monochrome tiling and complimentary black accessories give the space an industrial vibe. The double bedroom has bespoke floor to ceiling fitted wardrobes and huge windows overlooking the rest of the development helping the space feel naturally bright and airy. The property is offered for sale chain free.
