**\*SOLD BY PETTY SON AND PRESTWICH\*** Located on Hartley Road in the very popular, but rarely available, Bushwood area of Leytonstone, idyllic forest land lies within sight at the end of your road, yet Leytonstone High Road is a short 0.2 mile walk away. This beautiful Victorian home offers an extraordinarily peaceful setting and yet is within easy reach of Leytonstone Central Line tube station (0.5 miles), the A12, A406, M11 and M25 and fantastic nursery/schooling facilities – the ideal location for commuters and young families.

Beautifully appointed inside and out, starting with an exposed brick façade inset with sash windows, the home has been sympathetically renovated and extended by the current owners. Original wood flooring runs throughout the majority of the ground floor, with a large double reception providing two fantastic spaces in which to entertain. The formal reception area to the front boasts a central and fully operational gas fire with bespoke cabinetry either side and beautiful plasterwork overhead, with the rear reception area offering plenty of space as a second sitting area, playroom or formal dining room. Moving towards the back of the home, a small flight of steps leads you to an exceptionally spacious ground floor shower room and W.C and access to a handy cellar, perfect for additional storage needs.

The rear of the home has been extended to the rear and into the side return to provide a truly stunning kitchen/dining/family room, complete with herringbone tiled floor with wet underfloor heating. A separate, hidden utility room lies discreetly behind the kitchens large inbuilt larder cupboard and fridge/freezer, providing yet further storage and space for a freestanding washing machine and tumble drier, allowing you to use the noisier utility items at any time of day. The bespoke, solid wooden kitchen with composite worktop is laid out with family life in mind, providing a large island with breakfast bar but providing surrounding space for a 6 seater dining table and small seating/play area to the end. There is plenty of space to fit a large range cooker and range of high end appliances are inbuilt, including an American style Fisher and Paykel fridge/freezer, dishwasher, Quooker boiling/filtered water tap and butler sink. Thanks to the home enjoying a sunny, Southerly aspect the kitchen/family room is

flooded by natural light from morning until late evening, with Crittall effect bi-fold doors connecting the sandstone patio, greatly increasing the entertaining space on offer in the warmer months.

To the first floor there are three double bedrooms, the principal of which is particularly impressive spanning the entirety of the front of the home, and a family bathroom. The loft has been converted to provide a further two double bedrooms, the larger of which benefits from air conditioning, en-suite with underfloor heating and eaves space.
