

The Coach House, Old Bank Road

Golspie, Sutherland KW10 6RS

Price Guide £195,000

The Coach House in Golspie is located on the NC 500 Route with the potential to create a business and perhaps accommodation with the appropriate planning permissions. The spectacular stone building was originally built as the coach house to the Sutherland Inn (now known as The Golspie Inn). It then moved on from being the horse stables and farriers to a car garage and latterly a stone masons, which was renowned across the country for its skill and high quality wares. The property is a spectacular stone building that could be converted to many things. What makes this even more exciting is the car parking space to the rear and the accessibility to one of Golspie's most visited natural features; The Big Burn a spectacular walk to a waterfall on the edge of the village of Golspie. The Coach House is just yards away from the beach and 500 yards from Dunrobin Castle and next door to the Golspie Inn which offers accommodation and meals all year round.

BUSINESS POTENTIAL

This building has so many potential uses in the future, to create a business and work life balance in the Highlands of Scotland. The building has a number of stone buildings, some with partitions to create offices. plumbing and electric throughout along with 3 phase electric. There is an upstairs with 2 sets of stairs and a mezzanine area that overlooks the double height workshop. There are two showrooms both with stone arched windows.
