LOCATION

The North Dorset Saxon hilltop market town of Shaftesbury is famed for the steep cobbled street of Gold Hill, which remains a popular and historic attraction. The town's rich history reaches back to King Alfred, who founded a nunnery there in 888. Shaftesbury is a delightful, community-oriented town with an attractive and bustling high street. Everyday requirements are catered for by a farmers market, cafés and various retail shops; there is a veterinary practice and good cottage hospital. Shaftesbury is well connected by road to Gillingham, Salisbury, Sherborne, Warminster and Yeovil, as well as to the south coast. Its proximity to the A303 makes London accessible for the motorist. Railway stations at Gillingham (4.5 miles) and Tisbury (8 miles) offer frequent, mainline services to London (Waterloo) and the west country.
