LOCATION

Buckhorn Weston is a small village situated approximately 3 miles west of Gillingham and approximately 9 miles from the picturesque town of Shaftesbury. Buckhorn Weston has a village hall and an inn, but the nearby town of Shaftesbury offers more amenities with an attractive and bustling High Street that provides most everyday requirements including a farmer's market, cafés, charity shops, various retail shops and a cottage hospital.

The local road network offers strong connections to the other main towns in the region including Gillingham, Salisbury, Sherborne, Warminster and Yeovil as well as to the South Coast. In addition, the A303 links with the M3 that makes London accessible for the motorist.

DESCRIPTION

A charming and characterful three-bedroom cottage nestled in a peaceful and rural location on the edge of a sought-after village.

The property has undergone works by the current owners to offer more character features including a previously hidden inglenook fireplace in the sitting room.

The property is entered into a porch, which opens into the snug, and offers one of the feature inglenook fireplaces the cottage has to offer.

On one end of the cottage is the sitting room, which is a lovely cosy room which has the previously hidden inglenook fireplace, and cupboard which houses the utility space.

On the other end of the property is the large kitchen/dining room. Whilst being an extension of the original cottage, it still retains a country cottage feel with wall and base units, with space for an AGA, and doors opening into the garden.

Upstairs, there are three good sized bedrooms, with the principal bedroom benefitting from an en-suite bathroom. There is also a family bathroom on the first floor.

OUTSIDE

The property enjoys a generous plot of roughly a third of an acre with a stream running through the garden.

The garden has been well cared for and provides a peaceful and tranquil spot to enjoy the quiet countryside location of the property with seating areas spotted around the garden.

The garden also offers a shed and a workshop, as well as off road parking for four vehicles and a garage.
