The third bedroom is a well-designed single with a sliding door to maximise space. A contemporary family bathroom, finished to a modern standard, completes this floor. The layout throughout the home provides an excellent canvas for buyers to add their own décor and personal style, ensuring the property can be tailored to individual tastes.

Externally, the home benefits from a flagged driveway to the front with space for two vehicles, bordered by mature bushes for added kerb appeal. To the rear, the property boasts a generous and well-maintained garden, with a decked seating area, lawn, and a variety of shrubs providing colour and greenery. A single garage adds further practicality for storage or parking. With both the house and gardens well cared for, the home presents a fantastic opportunity to modernise and update as desired.

In summary, this deceptively spacious and well-maintained property represents an excellent opportunity for families or couples looking to move into a central Leyland location.
