This three bedroom semi detached dormer bungalow is located in arguably the one of the best positions on this development which is in itself highly regarded being convenient located on the fringe of Tottington and enjoys countryside walks, views as well as all the wide ranging facilities provided by the Tottington village Centre. The current owners have spent a good deal of time and thought putting the infrastructure in place for this property and are part way through the decorative element but at our advice have slowed the build down whilst we look for a buyer as we believe there is superb potential as the property stands now. Works will continue and the asking price may increase over time to reflect the additions being considered. Therefore this is a fantastic opportunity to buy a property with all the infrastructure in place but also allowing for significant personalisation. We feel that internal inspection is required to fully appreciate the accommodation which currently comprises entrance hallway, good size lounge, sizable dining kitchen, ground floor bathroom, ground floor bedroom, the first floor has the modern family bathroom and two further bedrooms. Leading out from the dining kitchen is a covered gazebo style patio area which we feel would lend itself very well to being incorporated into the kitchen perhaps with bifold doors being added. This patio area leads onto the utility room which again offers further development potential. Personal viewing is advised to fully appreciate all that is on offer. Viewing is highly recommended to appreciate all that is on offer, a personal viewing appointment can be arranged by calling Cardwells Estate Agents Bury on 0161 761 1215, emailing: bury@cardwells.co.uk or visiting: www.Cardwells.co.uk
