SUMMARY

Offered to the market with no onward chain, this property represents an excellent opportunity for enhancement and modernisation. The property is situated in a convenient location, positioned on one of the primary routes in and out of Exeter, providing easy access to a variety of local amenities. Polsoe Bridge Train Station is within walking distance, as are Hamlin Plane Playing Fields.

The accommodation briefly consists of an entrance hall, living room, dining room, kitchen, garden room, and WC on the ground floor. The first floor features three bedrooms and a wet room.

The property is set on a spacious plot with a driveway that extends across the front and along the side of the property. Double gates lead into the rear garden and also grant access to the garage. The rear garden is a notable aspect of this property. Generously sized, it also provides a significant level of privacy and enjoys a sunny southerly aspect.

Naomi J Ryan Estate Agents are delighted to bring this property to the market for sale and highly recommend internal viewing to fully appreciate all it has to offer.
