Sefton

Offered to the market with no onward chain is this beautifully presented family home, situated in one of Kingswood's most sought after locations. The property is set within a superb and level plot measuring 0.75 of an acre with a beautifully secluded rear garden and heated swimming pool. The property has been extended over the years and has been well maintained with sympathetic modifications carried out throughout. There is still plenty of potential to further extend or even the potential to completely re-develop S.T.P.P

An enclosed porch leads through to the entrance hall with parquet flooring and access through to the main reception rooms. There is a large sitting room on one side with a fabulous fireplace and patio doors opening to the rear garden, a formal dining room with double doors to the study in the middle and a generous conservatory to the rear. Also to the ground floor is a double aspect, open plan kitchen/breakfast room with an extensive range of fitted units, solid wood worktops, wood flooring and a range of integrated appliances. A door from the kitchen leads through to a covered lobby area with access to a laundry room, store room, the double garage and a further door leading out to the rear garden.

On the first floor is the spacious master bedroom with a dressing area, a range of fitted wardrobes and a modern en-suite shower room. There are three further double bedrooms and a family bath/shower room.

The secluded rear garden is a key feature and currently divided into two areas by a neat hedge. A sun terrace stretches across the rear of the property with access to the heated swimming pool and to the main garden where a tennis court once stood. A well maintained lawn leads to an archway through to the rear garden area which is also secluded. To the front of the property is a carriage driveway with access to the attached double garage.
