Set back in its own private and secluded plot of some 1.15 acres is this beautiful 1920's Costain built family home. The spacious gardens are west facing and incorporate a superb outdoor swimming pool.

The accommodation is laid out across three floors with a variety of new additions and improvements carried out by the owners in recent years.

A light hallway with wood flooring greets you on entry with access through to the open plan kitchen/breakfast room and the generous family room beyond. A further door opens into a large, light filled dining room with five sides and views across the garden to the rear. A central study area brings you back into the hallway with access into another large reception room currently used as the living room. Saving the best for last, the final reception is the vast games room measuring a whopping 33 x 20 feet and currently housing a full sized snooker table and bar among other things.

There are six bedrooms across the top floors including a large principal suite with an en suite bathroom and dressing room, access onto a rear facing terrace, two further bathrooms (one en-suite), a secret interconnecting door and two cavernous loft areas.

To the outside, the property is approached by electric gates with a long drive leading up to a circular driveway. A detached double garage sits to one side with a store room/gym opposite. The gardens are beautifully tended, extremely well established and provide a wide, flat area with a secluded west facing rear aspect for all to enjoy - a lovely swimming pool area surrounded by stone tiled entertaining areas is the icing on the cake.
