We look after the maintenance and security of your property and the grounds, leaving you free to spend your time however you wish. You could explore the stunning landscaped gardens, enjoy fine dining in our restaurant, indulge in some pampering at the Audley Club or keep up your love of travel knowing your home is safe and sound. What's more, you could join one of our regular get-togethers, take part in an exercise class, de-stress at a mindfulness session or make use of our extensive Audley Care services - all of which are part of our health and wellbeing programme.

Owning a home at Binswood gives you a truly independent lifestyle in a beautiful and secure environment. We look forward to showing you around.

BINSWOOD LUXURY RETIREMENT VILLAGE

Formerly North Leamington College, Audley Binswood is located in the heart of the Royal Leamington Spa conservation area. The centrepiece of this village is the beautifully restored Grade II* listed Binswood Hall that has been converted into exquisite apartments. It is also home to the Audley Club, which has its own luxury health club, swimming pool, library and restaurant.

HISTORY

STEEPED IN HISTORY, SURROUNDED BY BEAUTY

Audley Binswood is a luxury development of 88 new apartments and converted Regency and Victorian buildings set within the grounds surrounding Binswood Hall.

The village offers exquisite homes with the size and character of the original architecture, combined with the reassurance of modern building techniques and expert craftsmanship.

AN EDUCATION IN VICTORIAN SPLENDOUR

Built in 1847, Binswood Hall was inspired by Hampton Court Palace, with pattern brickwork, Bath and Caen stone dressings and projecting octagonal turrets. Since then, it has been home to several distinguished schools, most notably Leamington College for Boys. Sir Frank Whittle, inventor of the jet engine, studied here between 1918 and 1923.

Whether you want to be active, exercise and make the most of the local amenities, or simply take it easy, take stock and enjoy a little peace – it's entirely up to you.

TOWN AND COUNTRY

Royal Leamington Spa is beautifully placed for a whole range of cultural and leisure opportunities, while the surrounding countryside offers a wealth of attractions. These include a number of excellent golf courses and an award-winning art gallery with its own 'Capability Brown' landscaped gardens, Compton Verney.

Stratford-upon-Avon is close at hand. As well as a treasure trove of places connected with Shakespeare and his writings, you will find independent shops to explore among the Tudor architecture. Historic Warwick, with its magnificent castle and collegiate church is just a short drive away.

Slightly further afield, the cities of Coventry and Birmingham are easily accessible by car and train.

ROYAL LEAMINGTON SPA

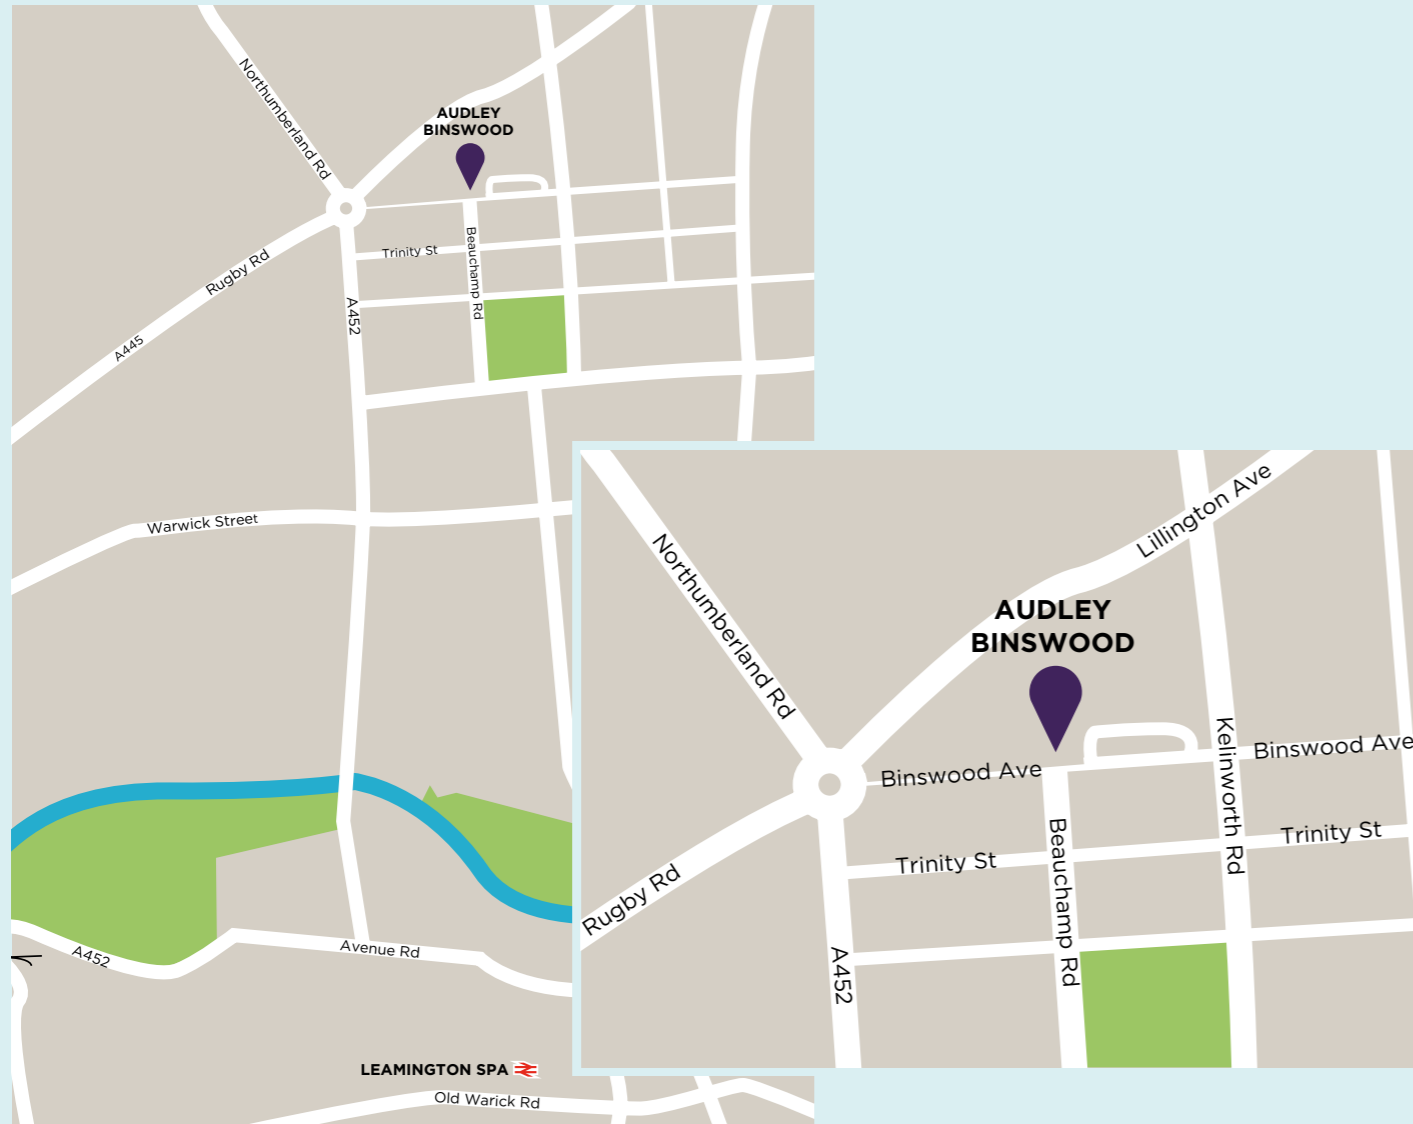

The historic town came to prominence in the 19th century thanks to the local saline springs which were considered to have healing properties and in 1838 the town was granted a 'Royal' prefix by Queen Victoria. What had formerly been the village of Leamington Priors was instantly transformed into one of England's most fashionable spa resorts.

Today it remains an elegant spa town with an excellent range of amenities including numerous shops, restaurants and theatres.

Buyers are advised to take their own advice to ensure the part exchange scheme is suitable for their needs.

OUR PART EXCHANGE PARTNERS

The Audley Part Exchange Service is managed by our market-leading home buying partners who offer one of the most competitive and attractive part exchange schemes available.

There is no charge for this service and no obligation whatsoever to accept any offer. A commission may be paid to Audley sales team by our part exchange partners in the event of a part exchange sale.

HOW IT WORKS

STEP 1

Once you've found your perfect Audley property, you simply provide the details of your current home to us and we will obtain valuations from our network of trusted local estate agents.

STEP 2

We will then make an offer to purchase your home. If you accept the offer, a survey will be arranged and we will then confirm our offer.

STEP 3

Your property is now sold. Your Audley property can be reserved and solicitors are instructed to proceed to exchange within 6 weeks. You can move in when your property is ready, or up to 2 weeks after the completion date if you need some extra time to make the move.

BRIDGING FINANCE

Audley Villages has partnered with Knight Frank Finance to help you move into your new Audley property before you sell your current home.

Customers who are awaiting the sale of their home, and need to sell to finance the purchase, will now be able to use bridging finance to speed up their move. This is different from the normal terms of a bridging loan, where the borrower is required to remain in the property. Audley Group and Knight Frank Finance's innovative structures mean customers will be able to move to a village and take advantage of all the facilities and care immediately.

Bridging finance is usually taken between 1 day and 12 months and loans are available at market leading rates.

Audley will take no fee for introducing anyone to Knight Frank Finance, forming part of the value added range of services we provide to prospective customers.

Buyers are advised to seek independent financial advice on whether bridging finance is suitable for their needs.

ENSURING A STRESS-FREE MOVE

Decluttering can be an overwhelming experience, particularly if you are starting to think about downsizing for the first time. Audley can help ease the pain of moving.

We can:

- Sort and pack your possessions
- Arrange and liaise with estate agents, solicitors, financial advisors and other professionals
- Organise a removal company
- Produce floor plans showing how your furniture will look in your new home
- Arrange for the auction, donation or disposal of unwanted items
- Unpack and set up your new home
- Co-ordinate cleaning, property repairs, waste removal and recycling, decorating, flooring and new furniture
- Deal with change of address notifications and co-ordinate connection to gas, electric, water, telephone, TV, internet and other suppliers

OUR DOWNSIZING PARTNER

We work with The Senior Move Partnership who have a team of trained specialists. Each specialist is committed to providing the highest standard of practical and emotional support.

RESELLING

We aim to get you the best possible price with the least amount of stress.

Our staff will ensure every effort is made to complete the sale of your home as quickly and as efficiently as possible. On all resales, Audley will charge a sales administration fee of 1% of the greater of either the achieved market price or agreed valuation (VAT applicable).

There are two options for selling your property:

- You can instruct a traditional estate agent
- You can instruct us to market your property to our database and waiting lists. This way, you know that the people being targeted are already aware of Audley

Our sales agency fee will be 2% of the sales value achieved (VAT applicable).

Some fees can vary, please consult with a member of the Audley sales team for details.

MAKING FINANCES SIMPLE

Naturally, when you are considering your next move, you want to be sure that you are making a sound long-term financial decision. Below you will find all the costs associated with living at an Audley retirement village explained – our aim is to ensure everything is as simple and stress-free as possible for you.

TWO TYPES OF PAYMENT TO MAKE LIFE EASIER

Our fees cover the overall costs of running an Audley retirement village. These include ongoing costs such as maintaining the exterior of your home, providing discreet but effective security, maintaining the village and the village grounds. Additionally, at some point in the future, expensive structural repairs or improvements will become necessary. We collect two types of fee: a monthly payment and a deferred management charge. These fees ensure we can cover all the ongoing costs of running the village and the expense of any major works required. This means you'll never face a surprise cost and you'll have total peace of mind about your home.

GROUND RENT

Please note that ground rent is not charged on new properties but remains payable on a selection of properties being sold by Audley owner/s and the rate is set out in the relevant lease. Please ask the sales team for more information.

ALL THESE SERVICES ARE COVERED BY YOUR FEES:

For your convenience, the cost of any additional services used will be added to your monthly invoice.

BUILDING BETTER FUTURES

We have been building and managing luxury villages for over 20 years but our experience in providing high-quality accommodation and care for older people goes back much further.

In 1983 our Chief Executive Nick Sanderson founded a company called Beaumont - which over time developed the conventional care home concept into something completely different - the UK's very first luxury retirement villages. Over thirty years on we have grown to be a successful company. Our solid foundations and innovative thinking have attracted major financial backing from companies including Private Patients Plan, 3i and, most recently, Moorfield Group.

GROWING COMMUNITIES

Willicombe Park in Royal Tunbridge Wells, our first retirement village, opened back in 2000. We are proud to say it is now a thriving community. And thanks to our financial backing, we are also pushing ahead with our plans to build further luxury villages across the UK.
