Also, with the imminent opening of Beaulieu Park Train Station and good access to the A12 this enviable location offers convenience for commuters, and all within a few mile of Chelmsford City Centre with its wide range of restaurants and leisure facilities.

A wonderful attribute to this four/five bedroom detached property is the spacious kitchen / dining / family room which is ideal for entertaining and comes with French doors opening to the landscaped rear garden. The current owners have also created an additional dual aspect lounge for further reception space. To the first floor, the main attraction is the master bedroom with its high vaulted ceiling and private balcony. This was originally used as a lounge, showing how flexible the home can be. There are four further bedrooms (one with en-suite shower room), one of which is set up as an ideal study. Finally, the rear garden has been landscaped for low maintenance, and is well presented with an array of planting and large patio with hot tub area.
