Gary Townsend at Paul Mason Associates offers a three-bedroom semi-detached home with a large conservatory, enjoying a nice position on a popular road in the heart of Writtle. The position on the bend of the road means it has a larger than average driveway providing parking for 4/5 cars and there is a garage too. Once inside you can feel that it's a calm and neutral home with spacious rooms and modern fittings. The lounge looks like a cosy place to end the day but would also cope well with family gatherings (the shutters are a lovely touch). The kitchen was renovated about 6 years ago (as was the whole house) and leads through to the conservatory which provides an ample space for dinner parties and Sunday roasts with the extended family. There are two large bedrooms to the first floor with the third smaller bedroom being fitted as a dressing room so this home would suit a single person, couple or family with one child/young children. The garden is pretty with passion flowers growing on each side and mature trees and shrubs from the bungalow behind providing a natural backdrop throughout the changing seasons.

As for the location, the property is situated in the historic village of Writtle, located to the South West of Chelmsford close to the Hylands Park & Estate, and is desired for its picturesque Green (complete with duck pond) and Norman church. A Co-op is within walking distance and a highly regarded local butchers. There is a dentist, doctors, and pharmacy all in the village. Within a short walk you can find an alleyway to access the local bus route on Ongar Road and also one through to the Village Green where you will find restaurants and local pubs serving sumptuous food and ales.
