Oak Tree Barn is a striking reverse-level barn conversion on the outskirts of Dartington, blending rural tranquillity with modern convenience. Just minutes from the renowned Steiner School and mainline rail links, it's the perfect balance of countryside calm and connectivity.

Step through the castle-style door into a welcoming entrance hall, leading upstairs to the barn's heart – a light-filled open-plan kitchen, dining, and living space. With a Rangemaster cooker, breakfast bar, wood-burning stove, and a conservatory opening onto the private garden and detached studio, it's all designed with entertaining and family living in mind. A second reception with wood burner, a double bedroom/home office, and a stylish family bathroom complete this level.

Downstairs features four bedrooms, including a serene primary suite with ensuite and standalone bath beneath a Velux window – perfect for stargazing soaks. A utility room, WC, and drying room add practicality.

The detached 9m x 5m yoga studio, craft shed, and approximately 1 acre of private gardens – with nature pond, wild areas, and lawns for alfresco dining or yoga – make this home a creative haven. With parking for five vehicles, Oak Tree Barn is more than a home – it's a place to live, create, and thrive.
