DESCRIPTION

Broadford Farm comes to the market for the first time in over six decades, offering a unique chance to own a sizeable, detached, traditional and unlisted farmhouse. There are spacious living areas and delightful moorland views. While it may need some modernisation, the property stands as a blank canvas ready to be transformed back into a beautiful family home. Alongside the farmhouse is a three-bedroom barn conversion/annexe, perfect for multi-generational living or income potential. The charming gardens and grounds span approximately 1 acre (0.4 Ha). Across the lane, a timber stable block features three loose boxes, a hay/feed store and around 4.07 acres (1.64 Ha) of pastureland. A secluded garden area with a lovely pond, several small outbuildings and its own private access lies just beyond the field. The full extent of the property is as approximately outlined in red on the site plan.

LOT 1 - BROADAFORD FARMHOUSE, THE ANNEXE, GARDEN & PADDock Extending to approximately 1 acre (0.4 Ha) (Shaded pink and outlined in red on the site plan)

Constructed from traditional stone and slate, this farmhouse offers ample living space and retains many charming original features. The entrance hall gives access to the kitchen, a large dining room with an oil-fired central heating boiler, two reception rooms, one with a feature fireplace and the other with a wood burner and sash windows with original shutters and a window seat. In addition there is a conservatory enjoying views of the garden. The first floor has three good sized double bedrooms, a single bedroom and a large family bathroom. The gardens are primarily located at the back of the house, featuring a spacious formal lawn adorned with mature plants, shrubs and flower beds. At the garden's far end stands a detached stone outbuilding, once a stable, now serving as storage. Adjacent to it rests an old mobile home, present on the site since around 1999 along with a number of further small outbuildings. Additionally, the property includes a small paddock with a number of apple trees, complete with its own gated entrance from the lane with an area of hardstanding for parking.
