A very well presented, semi-detached house, that has been extended into a large family home, which comes to market in good condition and is situated on the Cedar Park Development. The property has an initial enclosed porch and hallway with under stairs storage and a large 19ft dual aspect lounge with gas fire and leads onto the conservatory. There is a separate dining room, which could also be an ideal children's playroom or even a downstairs bedroom and the kitchen overlooks the garden and is fitted with shaker style wall and base units, plus space for a table. From the kitchen, is a small inner hallway with a cloakroom, utility room, integral door to the garage and also door access to both the front and rear of the property. To the first floor, you will find three bedrooms and a modern family bathroom, as well as a large en-suite to the principal bedroom. To the second floor, the loft has been converted and was used as two further bedrooms, both with a front aspect view. Outside, to the front, is driveway parking and then mainly laid to lawn (this could be made into a larger driveway), plus access via an up and over door to the garage. To the rear of the property, there is a lovely garden with an initial decked area and a pathway alongside the lawn leading to the lower decked area, two sheds, one of which has been made into a home bar. Other benefits include double glazing and gas central heating. There is over 1700 square feet of house here, which must be viewed to appreciate all that it offers.
