THE PROPERTY

Fore Place represents a unique opportunity to purchase a beautifully restored stone house in the village of Broadwindsor together with a renovation project and former shop. It is estimated to date back over 100-150 years and has walls of natural stone with brick details under a slate roof. The property is Listed Grade II of architectural or historic importance. Under the current recent family ownership, the property has been subject to extensive and sympathetic refurbishment although the cottage annexe requires comprehensive improvement to bring up to modern day standards.

The house offers well proportioned and extensive accommodation with pleasant views to the front overlooking The Square and to the rear, to the Church Tower. The numerous character style features include sash windows, part bellow radiators, wood panelling, exposed floorboards, high ceilings, stripped pine doors, flagstone flooring to the kitchen, scullery and utility plus attractive fireplaces throughout.

The quality modern bespoke kitchen was installed by Chris Chapman with Quartz style work surfaces plus range cooker, integrated fridge, freezer and dishwasher. The bathroom also boasts attractive period style features with bath with rainfall shower on claw feet and WC with high level system.

The accommodation extends to:

Ground floor- reception hall, living room with large multi fuel boiler stove, kitchen with woodburner, scullery, utility, WC and rear hall.

First floor- landing with boiler cupboard, 4 bedrooms and bathroom. The former shop would be ideal for a whole variety of uses i.e. retail, studio, home office or an additional reception room.

The cottage annexe requires comprehensive refurbishment and again is suitable for a whole variety of uses i.e. additional accommodation within the main house, annexe, long term or holiday letting unit/air bnb. It has its own access off Church Walk and also from the house. The accommodation extends to:

Entrance hall, kitchen, living room, shower room.

First floor – 2 bedrooms (2nd bedroom walk through).

OUTSIDE

There is a small pebbled area to the front providing off road parking for one car. Additional parking is available within The Square. At the rear is a small, well sheltered courtyard arranged on two levels together with a former water pump and small integral store.
