THE PROPERTY

Little Park is a very attractive and spacious individual detached chalet bungalow, set in large private south-facing walled gardens, well located in Allington Park, one of Bridport's most desirable addresses.

The property was architect designed and built for the current owners in 1963, having brick faced elevations with low maintenance PVC fascias. The well presented accommodation is well thought out and the majority of the rooms enjoy the sunny south-facing aspect.

The many excellent features include gas-fired central heating with a recently replaced boiler, uPVC windows and newly replaced patio door, well equipped kitchen with solid oak fronted units, electric double oven, electric ceramic hob

Integrated fridge, freezer, dishwasher and washing machine, downstairs shower room with walk-in shower and first floor en-suite bathroom, built-in wardrobes to two of the bedrooms and a natural stone open fireplace to the living room. There is scope for further improvement.

A further major selling feature of the property are the lovely well stocked south-facing walled gardens.

OUTSIDE

Double gates lead onto a brick paved driveway with single garage and brick paved pathways beyond.

There are large well stocked gardens extending to the south and east, including large expanses of lawn with flower and shrub borders, terrace and a timber shed.

SITUATION

Allington Park is a very attractive no-through road made up, principally, of individual detached properties and considered to be one of the most sought after roads in Bridport. The property is very conveniently located within easy walking distance of the town centre, with its excellent shopping, business and leisure facilities together with a bustling twice weekly market. It is also within close walking distance of open countryside, including Allington Hill (Woodland Trust), the River Meadows and highly regarded schools.

The beautiful World Heritage Jurassic Coast at West Bay is only a few miles, with its bathing beaches, 18-hole golf course and access to the stunning coast and clifftop walks. The coastal village of Eype and the hamlet of Seatown are also within only a few miles. The larger centres of Weymouth, Dorchester and Yeovil are all within 20/40 minutes' driving distance, with mainline rail services to London. The historic coastal town of Lyme Regis is just 12 miles along the coast.
