SITUATION

Beaminster is a delightful town, well known for its historic buildings and excellent amenities centred around The Square. It offers a wide range of amenities with convenient and bespoke shopping of a surprising variety for a town of its size. Satyr's lies a few hundred meters from Beaminster square.

DESCRIPTION

A substantial four bedroom period house with charming walled gardens and secure off-street parking, studio space and three reception rooms. Situated a short level walk from the many amenities in Beaminster square.

ACCOMMODATION

Satyr's is a handsome Georgian property with accommodation arranged over two floors. Benefitting from large sash windows, high ceilings, fireplaces and many period features befitting of the elegance of the era. On the ground floor is a spacious kitchen with adjoining utility room and WC, three main reception rooms arranged currently as a drawing room, formal dining room and sitting room at the rear with doors onto the garden. Upstairs, arranged around an impressive galleried landing are four double bedrooms, a family bathroom and a separate WC.

Outside are well established walled gardens at the rear with mature fruit trees and shrubs. Offering much privacy, the elevated garden enjoys plenty of sunlight and lawned areas to sit out and enjoy. An electric rolling garage door is operated by a key fob for easy entry off the road into the secure carport at the side of the house. It would be possible to park two cars in tandem in this space.

A useful timber studio adjoins the carport, once used as an artist's studio, but could easily be an office. Above the car port is a large attic room, with a drop down ladder.
