THE PROPERTY

8A Barrack Street is a fine and substantial double-fronted Georgian town house in a favoured location close to the town centre. The building dates back to the 18th century and has classic stucco front elevations. It is listed grade 2, of architectural or historic importance. The building has been converted into four apartments and a shop.

Flat 4 is located on the second floor and has been subject to upgrading. It offers well proportioned accommodation together a very useful attic. Modern facilities include Dimplex night storage heaters (Economy 7), modern fitted kitchen with electric oven and electric hob plus cooker hood and a modern bathroom with 'L' shaped bath plus electric mains shower over. Character features, typical of its period, include high ceilings, deep skirting boards, sash windows and a former fireplace.

The property will appeal to a whole range of buyers (see restrictions below).

OUTSIDE

Residents' parking permits are available in Barrack Street and there is a long stay Council car park at East Street with, again, permits (both subject to charges).

SITUATION

The property enjoys a prime location within the town centre and within only a few minutes' walk of the shops and amenities. Barrack Street is a very popular and well established no-through road just off East Street, largely made up of period houses.

Bridport is a thriving and historic market town known for its wide streets. There are excellent shopping, business and leisure facilities, art centre, leisure centre and a popular twice-weekly street market. The wonderful coast at West Bay is only a few miles to the south with a lovely harbour, bathing beaches and access to the stunning Jurassic Coastline.
