THE PROPERTY

7 Biddlecombe Orchard is a modern and spacious extended semi-detached, cottage-style house with off-road parking in an established residential area, just 10-15 minutes' walk of the town centre.

Biddlecombe Orchard is a small private cul-de-sac of just 8 cottage-style homes, which were built by Wessex Homes in circa 1994.

No. 7 fronts onto North Allington and under the same ownership since new, has been subject to two single-storey extensions. The house has brick faced elevations under a mainly slate roof.

The house would benefit from general upgrading, although modern amenities include electric heating (night storage and convector), uPVC windows/doors and two wet rooms. Cottage-style features include solid pine internal cottage doors. And stable doors.

Although originally designed with two bedrooms, it has been subsequently converted into one large bedroom, although it would be easy to reinstate back to two bedrooms again.

The accommodation extends to:

Ground floor – Canopy porch, hall, living room, kitchen/dinning room, lobby, wet room/utility.

First floor – Landing, one large through bedroom (originally two), wet room.

OUTSIDE

There is a rear parking space directly behind. Small area of front garden and an enclosed rear garden designed for ease of maintenance with summerhouse and side pedestrian gate to parking space.

SITUATION

The property is located in North Allington and within easy reach of the town centre. Bridport has an excellent range of shopping and business facilities together with its twice weekly market. The immediate area is designated as an Area of Outstanding Natural Beauty (AONB) and Allington Hill (Woodland Trust) is only a few minutes' walk away.

The popular coastal resort of West Bay and the World Heritage coast is about 2 miles to the south. Dorchester is about 16 miles, with a mainline rail service to London and the West Country.

SERVICES

Mains electricity, water and drainage. Electric heating (night storage and convector) Broadband - Standard up to 16Mbps and Superfast up to 80Mbps.

Mobile phone service providers available are O2 and Vodafone for voice and data services inside, Three, EE, O2 and Vodafone voice and data services outside.
