## THE PROPERTY

10 Napier Close is a very spacious terraced village house in a peaceful and sought after Bride Valley village, very close to the coast. It was privately built by the well respected local builder, Rosamond, with reconstituted stone faced elevations. The house faces east/west and enjoys pleasant views over the village and the Bride Valley.

Under the current ownership the house has been subject to extensive upgrading/improvement and now offers well appointed and well presented accommodation to a very good standard. The impressive modern features include LPG central heating, uPVC sealed unit windows/doors, composite front door, well equipped kitchen with Hotpoint electric slot-in cooker, cooker hood and plumbing for slimline dishwasher, contemporary bathroom with mains shower, contemporary cloakroom, multi-fuel wood burner to living room, extensive storage/wardrobe storage, re-carpeting and floor coverings. In addition, the house benefits from cavity wall insulation and extra loft insulation.

The rooms are very spacious and well proportioned and there is potential for a rear extension or loft conversion, subject to any necessary consents.

The accommodation extends to:

Ground floor - Recessed entrance porch, entrance hall, 'L' shaped living/dining room with French doors, kitchen, conservatory with utility cupboard (plumbing for washing machine) and adjoining cloakroom.

First floor – Spacious landing with access to large loft (part boarded and with light), three double bedrooms (two with wardrobes) and a large bathroom

Properties of this size and price rarely come up in the Bride Valley. Viewing is strongly recommended by the sole agents.

## OUTSIDE

There is a single garage with parking to the front, situated nearby. There is also a parking space directly behind the rear garden.

The property overlooks a private open green, which is owned by some of the residents of Napier Close (the area immediately in front belongs to No. 10). The residents pay a contribution towards the grass cutting of the green (currently £60 per annum per house).

There is a small lawned front garden with flower/shrub beds. The rear garden enjoys a west facing aspect and lovely views over the Bride Valley. It is fully enclosed, down to lawn together with raised beds, paved terrace and rear pedestrian gate.
