THE PROPERTY

Berehayes Holiday Cottages are in Whitchurch Canonicorum, a rural farming village close to the Jurassic Coast and has been run as a very successful holiday let business since 1985. The cottages are now all being sold off separately. This is a rare opportunity to own one as your own second home/holiday let (there is no restriction on the length of stay but it cannot be owned as your main/sole residence).

The eight barn conversions are set around an enclosed courtyard which was once a farmyard. Having been designed as holiday accommodation with open plan living areas, the decor of the cottages with country style handmade wooden kitchens, tie in with this part of the West Country. All are well maintained and double glazed throughout. www.berehayes.co.uk
