THE PROPERTY

Berehayes Holiday Cottages are in Whitchurch Canonorum, a rural farming village close to the Jurassic Coast and has been run as a very successful holiday let business since 1985. The cottages are now all being sold off separately. This is a rare opportunity to own one as your own second home/holiday let (there is no restriction on the length of stay but you must have a residential home elsewhere).

The eight barn conversions are set around an enclosed courtyard which was once a farmyard. Having been designed as holiday accommodation with open plan living areas, the decor of the cottages with country style handmade wooden kitchens, tie in with this part of the West Country. All are well maintained and double glazed throughout.

Apple Cottage is a lovely single storey, converted stone barn with its own private south facing courtyard. It has a high vaulted beamed ceiling in the living area with a well equipped kitchen, double bedroom and ensuite bathroom with shower over.

OUTSIDE

Designated owned car park space and shared visitor spaces.

There is a delightful open plan inner courtyard for the barn conversions, each cottage will have its own allocated area with table and chairs. Apple Cottage also has the additional benefit of its own private peaceful south facing patio.
