Auction Guide £595,000

METHOD OF SALE

The property will be offered for sale by Online Traditional Auction (unless sold prior.) The auction end date is Wednesday 21st May at 4pm.

The vendor reserves the right to withdraw or alter the property for sale prior to the auction end date. The property can be accessed via our website - stags.co.uk on the Auction Page.

THE PROPERTY

Providence Cottage was built in 1824 by the famous Bridport physician, Dr Roberts, with painted rendered elevations under a slate roof. It contains many attractive period features such as arched windows and a verandah on the two principal sides of the house. Inside are period window shutters, fireplaces and ceiling roses, wonderful high ceilings and large windows, many with period glass. The property could easily be kept as one home or divided into two owing to the two staircases and ample space to make into a main home with holiday accommodation or for multi-generational living.

There are far reaching views over the surrounding countryside towards Colmer's Hill.

ACCOMMODATION

In all there are seven bedrooms and four reception rooms arranged over three floors with two separate staircases.

OUTSIDE

The property is approached by it's own private driveway with ample parking and a double garage. The gardens wrap around the house and are mainly laid to lawn with mature shrubs and trees. The original verandah has flagstone flooring underneath and is covered with clematis and roses in the summer. To the rear is a pretty courtyard garden with an area of lawn and a mature Victoria plum tree. The property is bounded on two sides by an original listed brick wall.

SERVICES

Mains gas water and electric.

Dark lane is not an adopted road. The access to the house via Dark Lane is the only access to Providence Cottage the title does not state the rights of access. A statement of truth is being prepared to confirm that the access has been used without issue for many years.

VIEWINGS

Strictly via an arranged viewing with Stags. Please do not attend the property without an arranged viewing for safety reasons. There are potential dangerous hazards at the property including a dilapidated greenhouse which could collapse if entered. As such, we regret children are not permitted on viewings for their safety.

DIRECTIONS

From our office in South Street proceed in a Southerly direction turning right into Skilling Hill Road after half a mile. Continue up the hill until you find Dark Lane on your right hand side. Take this turning and follow the wall around and you will find the driveway to Providence Cottage on your right hand side.
