It is one of only seven individually designed cottages which were built in circa 1982 with natural stone-fronted and part rendered elevations under a slate roof. Under the current ownership since 2012, it has been subject to very comprehensive refurbishment and alteration to an exceptionally high standard and now offering many bespoke, quality features.

The impressive specification features include bespoke sash windows (some with leaded light stained glass), bespoke front entrance door and rear stable door, engineered oak flooring, additional wall and floor insulation, bespoke twisting staircase, quality internal doors, high efficiency electric central heating with traditional radiator wet system, traditional timber double glazed conservatory, very well equipped kitchen with granite worktops, electric Aga and integrated comprehensive Bosch appliances – fridge, freezer, dishwasher and washing machine – PV panels (powering the Aga and surplus going to the National Grid), extensive and versatile lighting system, Hammonds fitted wardrobes, walk-in wardrobe in the master bedroom, attractive sanitaryware with limestone flooring and underfloor heating both to the en-suite shower room and family bathroom.

OUTSIDE

The house stands slightly elevated on a corner plot. At the rear is a garage and parking space. There are small areas of garden to the front and side with paving, flower and shrub beds, enclosed by low stone walls with railings, side pedestrian gate. The rear courtyard walled garden is very private, paved with raised beds and a brick barbecue.

SITUATION

The highly sought after village of Netherbury lies within the area known as The Brit Valley, formed by the River Brit, which flows down to Bridport, West Bay and the sea. Considered to be one of the prettiest villages in Dorset, the centre of the village is home to many beautiful period cottages, typical of the West Dorset area and there is a lovely large parish church, playing fields and village hall. The village has a thriving and friendly community with various activities to cater for all ages, including a playgroup, yoga sessions and a local film night, to name but a few and the village hosts the renowned NGS Netherbury open gardens. The Hare and Hounds public house is within just one mile, at Waytown. The immediate area is designated as being one of outstanding natural beauty (AONB) and there are many beautiful walks, trails and bridleways in the area, as well as wonderful riverside walks along the River Brit. Nearby, the attractive town of Beaminster is well known for its delightful Square with its range of local businesses, shops, restaurants and hotels. The thriving market town of Bridport is also close by, offering more comprehensive shopping and business facilities together with a leisure centre with swimming pool and twice weekly market. Just beyond is the stunning World Heritage Site Jurassic Coast at West Bay, with its picturesque harbour, bathing beaches and access to the wonderful clifftop walks.
