## THE PROPERTY

This beautifully presented, 3 storey house offers well-proportioned accommodation and many attractive features, such as under-floor heating across the ground floor, Oak floors above and Juliet balconies, all set under a slate roof with rendered elevations.

When entering the property you are greeted with a large entrance hallway, with stairs rising to the first floor. To the left a large, triple aspect reception room, with double French doors, leading out to the garden. The kitchen/dining room and utility room have flagstone flooring and are well appointed with a range of floor and wall mounted cupboards, with granite work surfaces. There is also a freestanding American-style fridge/freezer, Aga range cooker with hob and integrated dishwasher. The utility room has space and plumbing for a washing machine and tumble dryer as well as rear access to the garden, garage and parking. The ground floor also benefits from a bathroom with w/c, wash basin and shower.

To the first floor, there is the master bedroom, with built in wardrobes and an ensuite, a small library off the landing and the sitting room to the front of the property, again with triple aspect outlook and French doors leading out onto a balcony with wrought iron railings and roofed shelter above, perfect for sitting out.

On the second floor, there are three further bedrooms, one with fitted wardrobe and ensuite with w/c, wash basin and shower and a 4th bedroom/study. There is a family bathroom on this floor, with a w/c, wash basin and bath with shower over.

## OUTSIDE

French doors lead from the reception room out onto a secluded Italianate garden, perfect for alfresco dining and entertaining, with its split and raised level. Around the sides and front of the property there are well stocked shrub borders and an elegant birch tree, with wrought iron railings at street level. Wisteria and climbing roses ensure privacy on the first-floor balcony.

Private gates lead to the large drive way and double garage, where there is ample parking.
