THE PROPERTY

Peach Cottage is a charming end of terrace period stone cottage in a very tucked away setting within the heart of the town. It is estimated to date back 250 years and is Listed Grade II of Architectural of Historic Importance.

The cottage has been subject to extensive refurbishment to a very high quality and the many excellent features include gas fired central heating with cast iron style radiators, UPVC sealed unit windows/doors, polished limestone feature fireplace with wood burner style log effect gas fire, contemporary kitchen with extensive units, Quartz worktops and comprehensive appliances - integrated slimline dishwasher, integrated full size washer/dryer and cooker hood (slot in cooker Range with gas hob and electric oven available by separate negotiation), contemporary/period style shower room with corner entry mains shower, colonial style shutters and attractive floor coverings - laminate wood flooring to the living room, Italian floor tiles to the kitchen/dining room, bespoke stairs carpet and fitted carpets to the first floor. In addition, extensive landscaping has been undertaken to the lovely longer than average rear garden.

The accommodation is beautifully presented and to the front enjoys distant views to the church.

The accommodation is particularly spacious on the ground floor and extends in total to:

Ground floor - hall, living room with understairs cupboard incorporating hanging rails, kitchen/dining room with vaulted ceiling with Velux windows.
First floor - principal bedroom with built in wardrobe, second bedroom/dressing room and shower room.

OUTSIDE

Restricted on street parking is available on South Street and there are a number of public carparks very nearby including one directly adjoining (annual permits are available for long stay carparks).

The rear garden is a further big selling feature of the cottage, having a depth of about 50ft and very attractively landscaped. Immediately joining the house is a timber decking area with steps up to a crazy paved terrace and beyond, gravelled areas with pergola seating area and raised beds. At the far end is a large summer house with covered storage areas to both sides.
