What the owner says...

"We have loved living here, the location is nice and quiet, yet we are still close to all the amenities. We have especially enjoyed being so close to the forest where we have enjoyed many walks over the years.

Everything about the house from the garden, which makes you feel like you are abroad on a hot summer's day, to the lovely dining room has been perfect for entertaining family and friends. It is a very social house with plenty of space for larger gatherings and we will really miss living here."
