property that affects mortgage-ability. (For example, unforeseen significant structural movement as indicated by a structural survey.)

The benefits of a buyers fee to the buyer are:

- Properties are advertised at a reasonable purchase price in order to encourage a quick sale.

- This approach allows you to secure the property and start the conveyancing process quickly.

- Reservation of the property removes the element of competitive bidding and also the possibility of being gazumped.

- The risk of the sale falling through is minimized on both sides, buyers are committed financially and vendors know that buyers are serious.

All of these elements provide peace of mind from the outset, along with our personal and proactive approach.

We look forward to hearing from you soon.
