

CASTELLUM APARTMENTS

The Development

“Castellum Apartments is located in a beautiful location close to Aylesbury.”

Castellum Apartments is located in a beautiful location close to Aylesbury. As part of the ongoing re-development to Aylesbury town centre, these apartments offer modern, high specification homes close to all the local amenities, such as supermarkets, leisure centres and gyms, that this historic market town has for an apartment in a pleasant, county town just an hour by train from London.

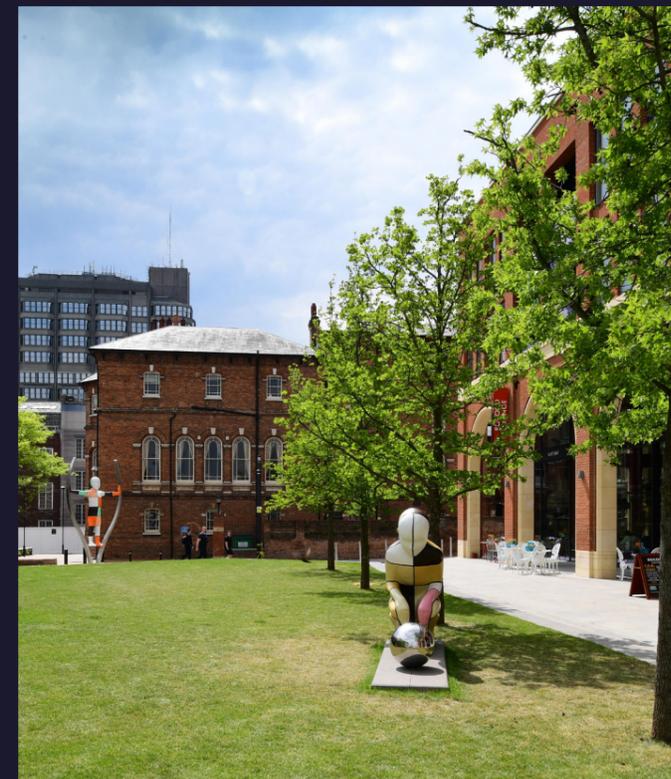

The local transport system is fantastic, with a bus stop directly outside the development – looking to head to one of the major nearby cities, the train system is a mere 5-10 minute bus journey away. Aylesbury is under an hour away from London, Luton, Watford, Oxford and many more cities.

The Location

Aylesbury is located in Buckinghamshire between the Chiltern Hills and the Cotswolds. Aylesbury is a popular choice for commuters heading to London, with Aylesbury station just an 18-minute walk away. From there, trains to London Marylebone take around an hour. If you prefer driving, the A41 offers a similarly timed route. For other nearby destinations, Milton Keynes is 20 miles away, and Oxford is 27 miles, both easily accessible. Aylesbury also benefits from good local bus services, and for air travel, Luton Airport is just 31 miles away, approximately a 45-minute drive.

The town has a long and prosperous history, once a thriving Anglo-Saxon market town, it is even mentioned in the Domesday Book. The arrival of the canal and railways connected it to London and Birmingham in the early 19th century. In 1900, the town's population stood at a mere 1000, fast forward to today and it has increased to over 75,000 due to its desirable traits with close proximity to London.
